To Whom It May Concern:

Kristiva Smith has been employed by Stout Chiropractic since June 2006. Kristiva was responsible for instructing group Yoga classes and assisting our patients with therapeutic exercises.

During this time, she demonstrated all the qualities that employers seek in searching for reliable employees. She is flexible and willing to work on any project that is assigned to her. She can work independently and was quick to volunteer to assist in other areas of company operations, as well.

It is unfortunate for Stout Chiropractic that we must reorganize our office and lose valued employees such as Kristiva. I would highly recommend her for any position or career that she may now seek to pursue.

If you have any further questions with regard to her background or qualifications, please do not hesitate to call me.

Sincerely,

Melissa Stout, DC
